

## Vylepšete svůj účet Prezi za 5 minut a stahujte své prezentace!

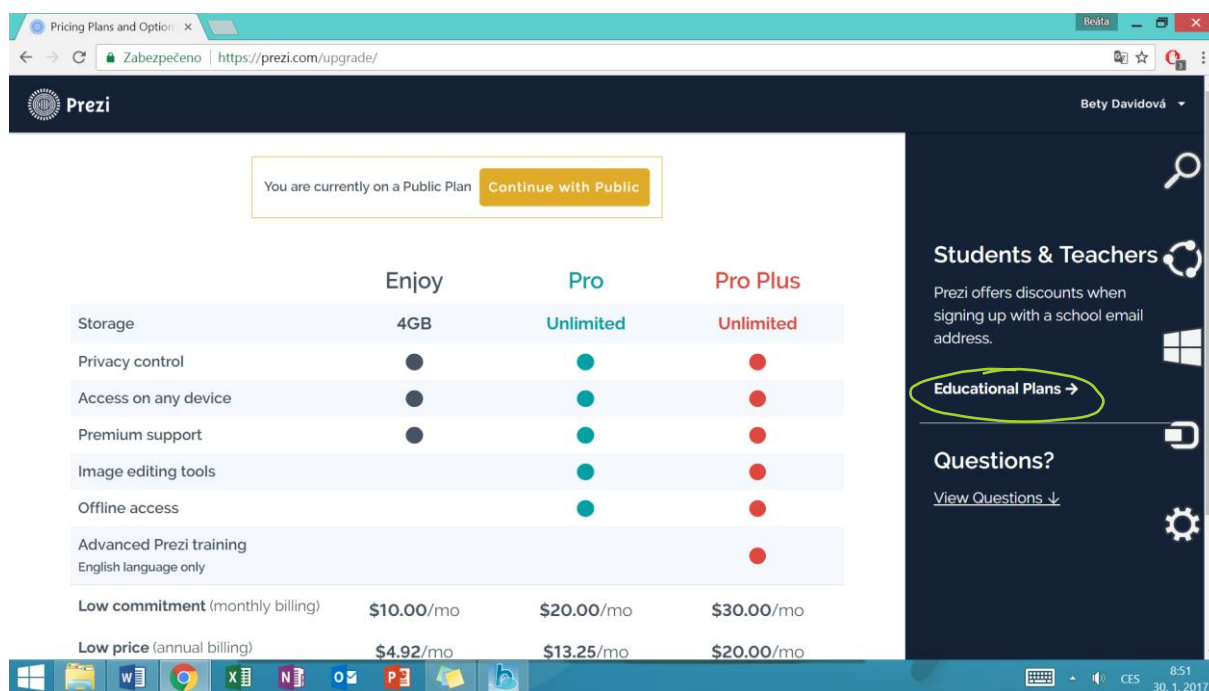

Pro úpravu účtu na verzi pro vzdělání, která umožňuje stahování, je nutná registrace na Prezi, která je jednoduchá, ale neváhejte nás kontaktovat, pokud s ní máte problém.

Když už jste registrovaní, stačí pouze najet na své jméno v pravém horním rohu, kliknout a po rozbalení zvolit možnost „**Upgrade now**“.

The screenshot shows the Prezi dashboard interface. At the top right, the user's name 'Bety Davidová' is displayed. A dropdown menu is open, showing various options. The 'Upgrade now' option is highlighted with a green circle. The dashboard also features a 'Create a new prezí' button and a list of existing presentations.

Objeví se vám nabídka placených možností vylepšení. Pokud však nemáte zájem či peníze a jste student, stačí kliknout v tmavém poli napravo na možnost „**Educational Plans**“.

The screenshot shows the Prezi upgrade page. It displays a table of pricing plans and a sidebar with the 'Educational Plans' option highlighted. The table compares three plans: Enjoy, Pro, and Pro Plus, based on storage, privacy control, access on any device, premium support, image editing tools, offline access, and advanced Prezi training.

Tato možnost vás odkáže na možnosti vylepšení pro vzdělávací účely. Opět je zde více možností, ale my zvolíme základní verzi **Edu Enjoy**, která je neplacená a klikneme tedy na šedé pole „**Choose Plan**“.

V momentě se nám zobrazí krátký ověřovací dotazník, kde vyplníte svůj **školní mail** a **heslo** a kliknete na „**Verify**“.

The screenshot shows the Prezi Student/Teacher Verification page. The user is prompted to provide their educational email address and password. The email address 'beata.davidova@uhk.cz' is entered in the first field. The password field is masked with dots. The 'Verify' button is circled in green.

V tomto bodě ještě doplníte údaje o škole: název, město, zemi a webové stránky. Dole nesmíte zapomenout zaškrtnout **pole před „I confirm that...“**, čímž pouze potvrdíte, že na dané škole opravdu studujete a dáte „**Continue**“.

The screenshot shows a web browser window with the URL <https://prezi.com/upgrade/plan/edu/enjoy/#eduReg>. The page title is "School or University details". The form contains the following fields:

- School name: Univerzita Hradec Králové
- City: Hradec Králové
- Countrycode: Czech Republic
- School website address: www.uhk.cz

Below the form, there is a blue note: "Please note: Your educational institution must have a website that matches your email address in order to register." and a tip: "Tip: Enter the website that matches your email address. If your education email address matches a different domain than your school (e.g. school district), please enter the website of your school district instead of the school site." At the bottom of the form, there is a checkbox labeled "I confirm that the school above is a school where I am an active student or a teacher" which is checked. To the right of the checkbox are "Back" and "Continue" buttons. The "Continue" button is highlighted with a green circle. The Windows taskbar at the bottom shows the date and time as 8:54 on 30.1.2017.

Ve školní schránce se vám pak objeví **tento e-mail**, kde pouze kliknete na odkaz a potvrdíte své vylepšení na novou verzi.

Pokud vše proběhlo v pořádku, tak se na vaší „**Profile Page**“ objeví tyto informace. A celé vylepšení zabralo jen 6 minut i s kontrolou údajů!
